Paris Takes Fast Game from Richmond.

With Hauser pitching to his old form and his teammates behind him hitting and fielding brilliantly the Bourbonites took the husky Pioneers into camp at White Park yesterday afternoon, winning by a score of 5 to 1, in a fast and snappy contest.

The visitors were barely saved a shut out when in the fourth inning they put over their only run of the game. Hauser was very effective throughout, allowing but four hits, two of which came in that session and which were responsible for the only tally registered by the Richmond team.

The local aggregation put up a brilliant fielding game, going the entire nine sessions without a misplay. Kuhlman, Harrell, Locke and Harold starred at this, accepting many difficult chances. The Bourbonites touched Myers, a former member of the Paris team, for seven safe gets, all of which counted in the run getting. The Richmond twirler was very unsteady at staves and his failure to locate the plate resulted in five passes.

The Bourbonites took the lead in the first inning when three hits in succession counted two runs. In the third another was added when Harrell walked stole second and on an error by Roth advanced to third, scoring on Haines' wild heave. In the fourth inning, Roth the first up for Richmond hit safely and was followed by a single by Black. Hauser's wild pitch allowed Roth to score from third.

The Bourbonites added their fourth run in the seventh. After Hauser had gone out Kuhlman and Harrell singled in succession the former scoring on Locke's out to left. The last run came in the eighth inning after two men were down when Volz walked and scored on Kane's two-bagger to right.

Tomorrow the Pioneers will be the attraction at White Park. The occasion will be ladies day and all ladies attending will be admitted free.

The Paris management last night released catcher Kane and announced that D. S. Hicks has been signed and will be here to-day to take his place behind the bat. Hicks recently caught for the Cincinnati U. S. League team and since the team disbanded has been in that city. Last year he led the Mountain State League in hitting. He was a member of the Paris team two years ago. Since leaving Paris Hicks has shown a remarkable improvement as a receiver and will be a valuable acquisition to the Bourbonites.

The rain and hail storm put a stop to the game between Paris and Mr. Sterling in this city Friday afternoon after the contest had gone but one inning. The game gave every promise as being one of interest as both teams started off well.

Saturday afternoon at White Park the Lawmakers administered a shut out to Paris, winning by a score of 6 to 0. The game for six innings was one of the prettiest seen on the local ground this season, but in the seventh inning the Bourbonites went up in the air and victory was easy for the visitors. Ludwig pitched a good game for Paris, allowing but five safe hits, while Wahl for the visitors was at his best allowing but three hits and fanned seven of the opposing batsmen.

The Lawmakers added another to their long line of victories over Paris when on Sunday they walloped the Bourbonites on the Frankfort grounds by a score of 11 to 2. Applegate, Hauser and Harold were used to stop the heavy hitting Lawmakers without result. Manager Groerer, of Frankfort team was struck with a pitched ball and his jaw fractured. Weitzel a Frankfort boy did the pitching for the Lawmakers and the Paris batters were only successful in getting four safe drives off his delivery.

Carlisle Suffers Another Big Fire.

One of the most disastrous fires in the history of Carlisle broke out Sunday night about 11:00 o'clock in the lively stable of James O'Neill, on Main street, and before the flames were under control at 12:30 o'clock, property roughly estimated at a value of \$25,000 was destroyed. The fire was within a block of the Nicholas county court house, but at no time was this building threatened.

The fire department was sorely taxed to combat the flames, but its heroic work and successfully gained control of the conflagration within an hour after it started.

An appeal was made to the Paris department for assistance and it was the intention of the local firemen to take the engine together with a good supply of hose to the scene and render all assistance possible to check the progress of the flames. The Louisville & Nashville had provided a train for the transportation of the apparatus, which was taken from the engine house at 11 o'clock and was being hastened to the freight depot when a telephone message from Carlisle announced that the services of the Paris department were not needed.

The cause of the fire is unknown. No accidents occurred that endangered human life although a great crowd gathered to witness the flames, which were in the business section of the town.

Sunday School Convention.

The Bourbon county Sunday School Convention was held in this city Friday, with President George W. Chapman presiding. The devotional exercises were led by Rev. J. S. Simms, pastor of the Methodist church, where the convention was held. The minutes of the last meeting, which was held last year at the Baptist church in this city, were read by Mr. Houston N. Rion, Secretary and Treasurer of the organization.

Miss Maude Dance and Mr. J. Vaughn, of Louisville, two State workers, were present and addressed the convention along the lines of Sunday school work. The addresses were helpful and improving to the members of the association who were in attendance. The local workers who contributed good addresses were Rev. E. M. Lightfoot, Rev. J. S. Simms, Rev. W. E. Ellis, Messrs. H. A. Power and D. Y. L. Farley.

The nominating committee composed of Rev. E. M. Lightfoot, Rev. W. A. Swift, of Millersburg; Mrs. T. M. Funk, reported the following names of officers for the ensuing year, which were duly elected: G. P. Fisher, Millersburg, President; J. W. Jones, North Middletown, Vice President; N. H. Rion, Paris, Secretary-Treasurer, also the following superintendents of the departments: Elementary, Miss Belle Taylor Judy, Millersburg; advanced, Mr. Henry A. Power; adult, Mr. L. C. Reynolds; education, Prof. Geo. W. Chapman; visitation, Mr. L. A. Soper, Little Rock; organization, Mr. C. O. Hinton; temperance and purity, Dr. F. L. Lapsley; mission, Mrs. Laura Ford.

Trophy Stake to Be Run Wednesday.

Latonia, which has been the scene of many a big turf struggle, will have for its closing day, next Wednesday, the biggest event of the meeting in the Cincinnati Trophy Stake. The best two-year-olds in the country are entered in this event, and there will be a bitter struggle for the historic cup on next Wednesday. As in the Derby the cracks of the East and West are arrayed against each other. First comes J. N. Camden, with Helios, the winner of the Breeders' Futurity at Lexington and the Harold Stakes at Latonia; then comes C. F. Buschmeyer, of Louisville, with Hawthorne, a gelding who performed in marvelous style up to his last three races, having won nine races up to that time, taking another Friday, H. K. Knapp, one of the pillars of the Eastern turf, will be represented by Yankee Notions and Palanquin, both stake colts. Then there is H. C. Hallenbeck, Eastern millionaire, with a pair of crackerjacks, Hobnob and Frederick L., both speedy as they make them. Then there are a pair of fillies, Christmas Star, owned by Catesby Woodford, and Star of Danube, owned by J. C. Milam, both Kentucky horsemen. There are still over 130 others, and one of the dark ones will come from the barn of E. R. Bradley, owner of the Idle Hour farm.

It is figured that at least one dozen will go to the post for this event, and one of the greatest races between two-year-olds will be witnessed.

Helios and Hawthorne will carry top weight, and as the route is five and a half furlongs, it will be a trying ordeal for the youngsters. As it is the closing day an especially high class card will go along with the Cincinnati Trophy, and the day will be one to be remembered.

It has been many years since so many good two-year-olds popped up. There always was one good one, perhaps two, but never ten, which are in the first flight, and just a bit of bad luck will change the result.

Preparations have been made for a monster crowd, and it is expected that the attendance mark made on Derby Day will be wiped out.

The cup is a beautiful piece of gold and silver work, and costs \$500. In addition the winner will get something over \$3,700 if the twelve horses go to the post, making it the most valuable two-year-old event in the country.

NOTICE.

The stockholders of the Paris Base Ball Club are called to meet in the county court room at the court house Wednesday evening, June 26, at 7:30 o'clock, for the purpose of discussing the base ball situation in this city and to devise means by which the team may exist. This meeting will be one of vital importance and all stockholders are requested to be present. An invitation is extended to all the local followers of the game to attend the meeting.

J. W. BACON, President.

Taft Choice of the Convention.

With nearly 350 of the Roosevelt delegates declining to vote and hastening away at adjournment time to tender to Colonel Roosevelt the nomination of a new party, the fifteenth Republican National Convention, at the end of a long and tumultuous session Saturday night renominated William Howard Taft, of Ohio, for President, and James Schoolcraft Sherman, of New York, for Vice President. Taft received 561 of the 1,078 votes in the convention, or 21 more than a majority.

The decision of the Roosevelt people, under the direction of their leaders, to refrain from voting, left no other candidate near the President. The announcement of President Taft's victory was greeted with cheers from his adherents and groans and hisses from the opposition.

When it became absolutely certain that Mr. Taft would be nominated without great difficulty, the leaders in control of the convention decided to give him as a running mate his companion on the ticket in 1908.

All others dropped from the race, and Sherman was the only candidate regularly placed before the convention.

A motion from New Hampshire to make the nomination by acclamation was declared out of order. There were many scattering votes on the roll call that ensued.

The convention, amid much confusion, adjourned sine die. At no time was there an indication of a walk-out by the Roosevelt delegates. They expressed their revolt by silence.

Former President Roosevelt was nominated for President on an independent ticket in the dying hours of the Republican national convention in which he met defeat. No Vice Presidential candidate was named. The followers of Colonel Roosevelt gathered in Orchestra Hall, less than a mile from the Coliseum, and pledged their support to the former President. In accepting the nomination Colonel Roosevelt appealed to the people of all sections, regardless of party affiliations, to stand with the founders of the new party, one of whose cardinal principles, he said, was to be "Thou shalt not steal." The informal nomination of Colonel Roosevelt was said to be chiefly for the purpose of effecting a temporary organization. Beginning when a call is to be issued for a State convention in Illinois, the work of organization will be pushed forward rapidly, State by State.

Boosters will Arrive in Paris To-Day.

This is the day for the Boosters from Cincinnati to put in their appearance in this city and from all accounts plans have been completed to give the visitors a royal welcome.

On a previous occasion the Cincinnati business men had planned to make a visit to Paris but on April 26, the date set for their arrival here, a heavy rainstorm prevented a program which had been prepared from being carried out and since that time a trip to the towns in Central Kentucky which they failed to visit has been under consideration.

The Boosters are coming about one hundred and fifty strong and they will represent almost every branch of trade in the Queen City. Mr. W. O. Hinton, President of the Paris Commercial Club has issued an urgent appeal to all the business men of Paris to turn out and greet the visitors.

The special train carrying the boosters will arrive in Paris this afternoon at 2:45 o'clock and the business men will be in Paris about two hours. It is planned to have a committee to go to Cincinnati at noon today to meet the visitors and accompany them to Paris. The local business men will meet at the court house and headed by Weber's band. The march will be made to the court house when the program which has been arranged will be carried out. Hon. C. M. Thomas will deliver an address of welcome, which will be followed by an address of several of the visitors and the program will also include a concert by the band which will accompany the boosters.

It is desired that all of the Paris business men arrange to be at the court house at 2:15 o'clock when the march to the depot will begin.

Bryan May Make Fight Against Parker.

William J. Bryan may be the candidate named by the Progressives to make the fight against Judge Alton B. Parker, of New York, for temporary chairman of the Democratic National Convention.

That was the plan that was being considered by the Bryan and Wilson forces shortly before the National Committee met to name the temporary chairman and set the contest cases.

Seeking to prevent the election of Judge Parker, supporters of Gov. Wilson instructed Robert F. Hudspeth, National Committeeman from New Jersey, to vote for Senator-elect Ollie James, of Kentucky, an avowed Champ Clark man.

Mr. Bryan said he would not take up the fight on temporary chairmanship in the National Committee and that it would be fought out in the convention. Members of the National Committee may decide to pass upon the question of ratification of the selection of Judge Parker without debate.

It was stated authoritatively this morning that the friends of Judge Parker had 31 votes out of the 52 on the National Committee.

Senator-elect Ollie James, of Kentucky, talked for some time with Mr. Bryan today, after which Mr. James made it known that he was not a candidate for temporary chairman and was of the opinion that his name would not be presented to the committee.

JAMES WON'T BE A CANDIDATE.

BALTIMORE, MD., June 24.—The National Committee at 2:15 this afternoon appointed a committee of two, Chairman Mack and National Committeeman Hall, of Nebraska, to confer with W. J. Bryan and Alton B. Parker and their supporters with a view to preventing a fight on the floor of the convention over the selection of a temporary chairman.

This action was taken after friends of Bryan had served notice on the National Committee that if the recommendation for Judge Parker is sustained they will nominate Mr. Bryan on the convention floor to oppose Parker for the honor.

After Judge Parker had been placed in nomination before the committee several speeches for and against his selection were made. No other nominations had been made when the committee appointed Mack and Hall and adjourned until 7 o'clock to-night.

The Kentucky delegation at a meeting today announced their intention of supporting the choice of the National Committee for temporary chairman despite the fact that Senator-elect Ollie James of that State had been suggested as a candidate by the Bryan forces against Parker. After the delegation in caucus had adopted a resolution pledging support to the National Committee, James announced that he would not be a candidate for the place.

RATS MAKE NEST OF MONEY

Firemen After a Blaze Discover \$50 in Ceiling of New York House.

New York.—Fire Commissioner Johnson has sent to the treasury department for redemption \$50 in bills of the denominations of one, two and five dollars, which firemen discovered hidden in the ceiling of a house in Pearl street after a fire. Rats had formed a nest of the money and all of the bills were chewed by the rodents and otherwise mutilated.

The money, after it is redeemed by the treasury department, will be turned over to the firemen's pension fund unless it is claimed by Jacob Meyer, who owns the house.

Bicycle With Wings Flies.

Paris.—France desires to promote the science of flying without motor attachment.

At Juvisy recently the bicyclist Lavallade by the use of a bicycle which had been converted into an "aviat" by adding a sort of wing, "flew" three feet seven inches, according to the official announcement.

He cleared a cord stretched from the ground at a height of eight inches, but most of the spectators were inclined to designate the so-called "flight" a jump.

The experiment was preliminary to a contest here for a prize of \$2,000 offered for an "aviat" flying 33 feet.
